

Nov 22 Milestone

You will receive a grade for the Nov 22 milestone which will count 20% of your final project grade.

The required game functionality for this milestone is limited. It is possible to have points deducted for style and functionality when the final project is turned in.

You and your teammate must demo your project for me by 2:00 pm on Tuesday November 23. You may perform the demo during office hours or schedule an appointment. The demo is in addition to having this milestone turned in by 11:59 pm on Monday November 22.

To receive any credit for this milestone, both the submission and demonstration must be performed.

Required Functionality

- 2 person game (at least)
- Place a series of ships of different types on variable size grid
- Prompt for and record coordinates
- Decide if a hit or miss occurs
- Handle out of grid coordinates
- Identify winning and losing conditions
